

Third Online Research Seminar Series on “Early Urbanization in Iran; Development of Urban Centers in the Iranian Plateau”

Dear Colleagues,

We are pleased to announce the Third Online Research Seminar series on “**Early Urbanization in Iran; Development of Urban Centers in the Iranian Plateau**”.

The first and second round of these seminars were held during November-December 2020, and February-March 2021.

Due to the importance and high interest in the subject we, at the Department of Archaeology at the University of Pars, and University of Lumier Lyon 2, Archeorient in collaboration with Society for Iranian Archaeology, and Padova University, have decided to organize the third series of these virtual seminars.

These seminars will be held on Mondays since 3rd May to 14h June 2021 via Zoom. The information regarding each seminar will be announced weekly.
